To help students keep track and discover club events at not only their own school, but other potential schools. All in one place.

# Purpose.

# Explore.

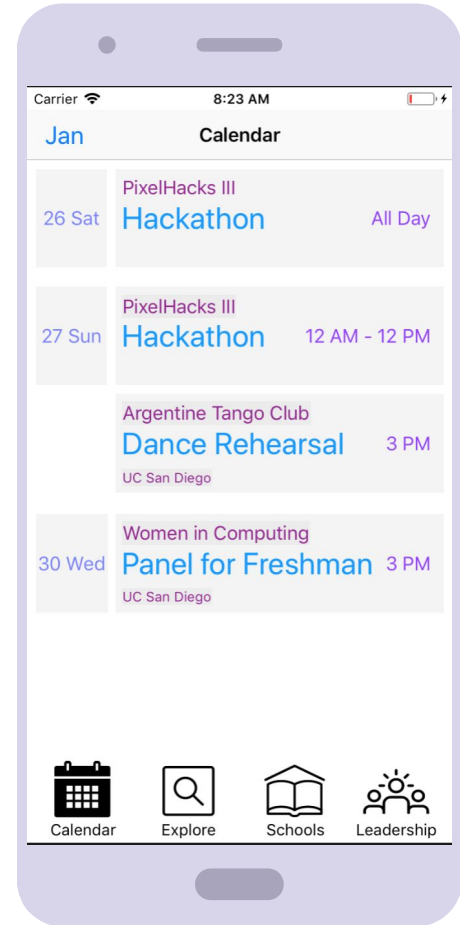

Find schools. Explore and learn more about the clubs offered.

# Events.

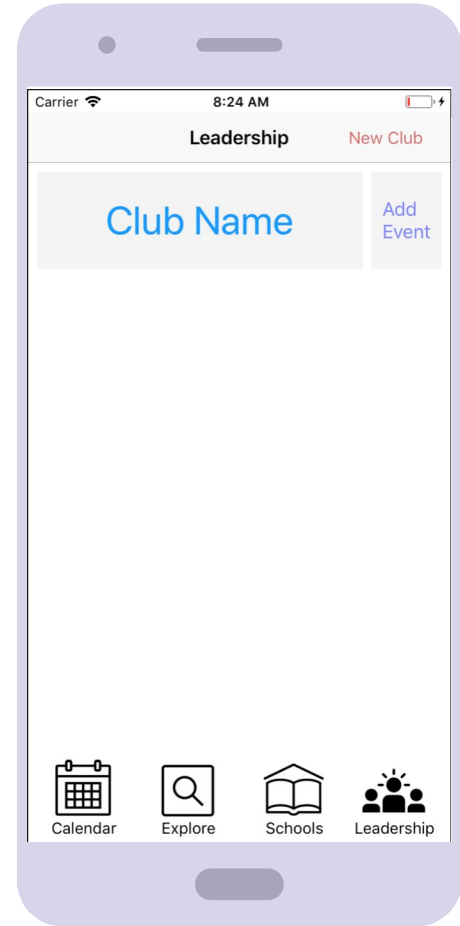

Shows the current and upcoming events of clubs you follow or are a part of.

Reminders of the day, time, and details of the event.

# Leadership.

Manage your own clubs. Add events hosted by your club.

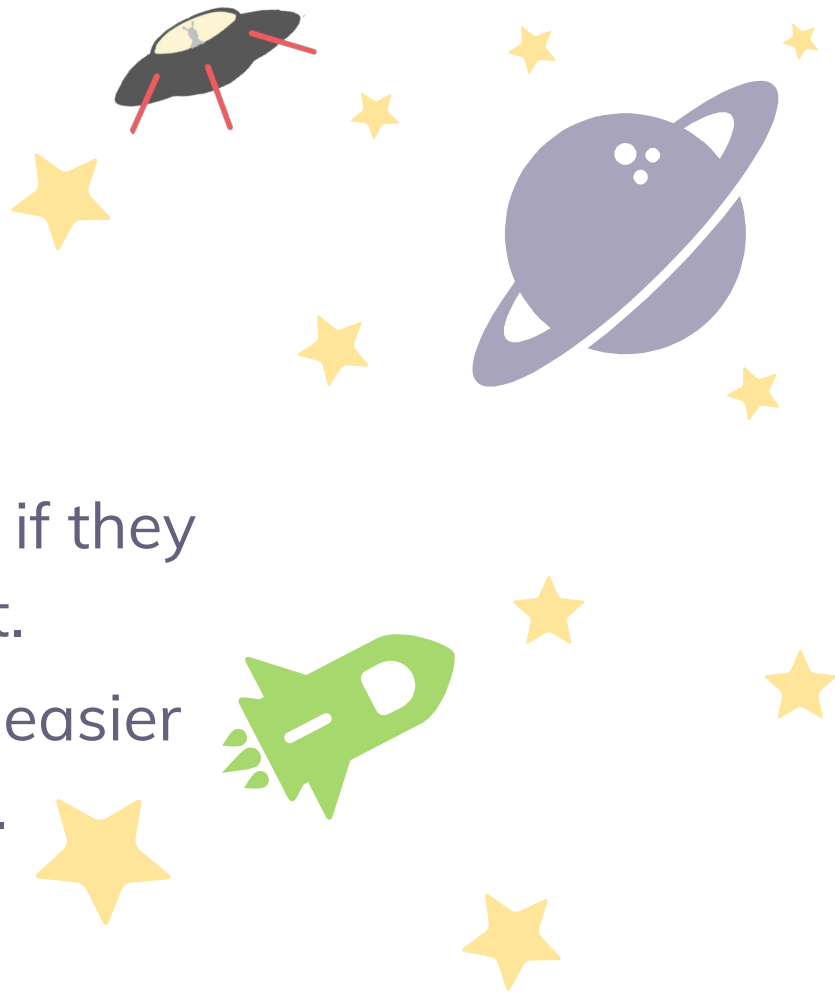

# Future...

Add a **chat room** option for messaging officers of clubs.

Allow users to **inform** officers if they can participate in event or not.

Add a **school** tab to allow for easier view of the schools attending.

Add a **high school** option.

Thank you!
